

Happy Holiday. After Break Plan

Dear parents:

First As the year ends Arabic department would like to wish you all a Happy New Year and happy holidays.

I would like to thank you for providing students with support throughout the term and hope that we continue having your support next term.

We are going to start the first week in second term with revising some basic Arabic grammar and will work on revising some basic vocabulary and we will start the new topic the week after the first week.

Many thanks
